Skills

- Teamwork and collaboration
- Computer skills

Dynamic AWS Cloud Engineer Intern at ETHNUS with expertise in deploying and optimizing cloud infrastructure. Proven ability in teamwork and collaboration, leveraging skills in AWS services and front-end technologies like HTML and JavaScript to enhance user experience. Committed to delivering innovative solutions and improving system performance.

Experience

2025-06 -
2025-10

Intern

ETHNUS, Remote

- I worked as an AWS Cloud Engineer Intern, where I assisted in deploying, managing, and monitoring cloud infrastructure on AWS. I worked with services like EC2, S3, IAM, VPC, and supported system performance, security, and cost optimization.
- As an AWS Cloud Engineer Intern, I helped design and manage AWS cloud infrastructure, implemented IAM policies, monitored services using CloudWatch, and assisted in troubleshooting and optimization
- AWS Cloud Engineer Intern responsible for managing AWS resources, monitoring cloud services, and supporting deployment and security tasks.

2025-01 -
2025-05

Intern

ETHNUS, Remote

- Analyzed problems and worked with teams to develop solutions.
- Contributed to a positive team environment by collaborating with fellow interns on group projects and presentations.
- I worked as a Web Development Intern, where I helped design, develop, and maintain responsive websites. I worked with HTML, CSS, JavaScript, and assisted in improving UI, fixing bugs, and optimizing performance.
- As a Web Development Intern, I contributed to developing user-friendly web applications, collaborated with the team on feature

- FRONT-END (HTML, CSS, JavaScript, React, responsive design, API integration, and modern front-end development tools.)
- BACKEND (Python, RESTful APIs, database management, authentication, and scalable server-side architecture.
- AWS
- JAVA
- WORDPRESS
- BLENDER
- UNREAL ENGINE
- UNITY ENGINE

implementation, and supported testing and debugging tasks.

Education

Expected
in 2026-04

Bachelor of Science: Computer Science

VELLORE INSTITUTE OF TECHNOLOGY ,BHOPAL -
BHOPAL

- [\[Number\]](#) GPA/CGPA 7.86
- Member of CODE MASTER , 2023 to 2024
